

MARCH OF DIMES

The mission of the March of Dimes is to improve the health of babies by preventing premature birth, birth defects, and infant mortality.

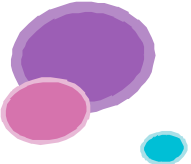

The March of Dimes carries out this mission through:

1. Community Programs
2. Advocacy
3. Research
4. Education
5. Support

March of Dimes has set goals to reduce the preterm birth rate to **8.1%** or less nationwide by 2020, and to **5.5%** by 2030.

New York's Strategic Mission Investment Plan

Deliver programs and leverage external resources for stronger, healthier babies.
