## **ATTENDEE COMMENTS FROM 2025:**

*“So many great topics this year – healthcare is more complex with a lot of changes. This conference did a great job sharing the workable solutions and what is important for our teams navigating perinatal health.”*

*“Conference presentations were tied together well, allowing for extended learning. The variety of medical, data, community-based services and programs is great to see.”*

*“Always enjoy this conference! As a nurse home visitor and WHNP student, the information gained is helpful to my present work and will be for my future practice as a provider.”*

*“Excellent conference! Learned a lot and will utilize some of the experience at my facility. Presenters were great! Enjoyed the variety of topics.”*

*“Have been attending NYSPA conferences for > 25 years. I learn so much every year from amazing speakers. Networking with others from across NYS is priceless – I have made so many connections. Love the exhibits – most reps are so friendly and knowledgeable!”*
